

The Sierra's best board and ski adventures for kids and teens!

This winter, why stay home on weekends when you can enjoy the excitement of skiing or boarding with friends? Every week, our members hit the slopes for a great day at the Sierra's top resorts, including Northstar, Squaw Valley and Alpine Meadows. If you're new to the sport, our instruction programs will have you coming down the hill on your first day. If you're a beginner or intermediate, our lessons will help you achieve advanced status quickly, thanks to our small classes with the same instructor on each trip. If you're advanced or expert, you'll get topnotch coaching from the pros while logging miles of world-class terrain!

Our trips include everything you need: safe, comfortable roundtrip transportation by chartered bus, lift tickets, lessons, excellent adult supervision, guides, and of course lots of skiing and snowboarding fun! If you don't have your own gear, we have special arrangements at local shops to provide rental equipment at discounts. All you need to provide is warm clothing and food. We take care of the rest!

Kids love our programs because they're fun! Parents appreciate our programs because they're well organized and safe. And, they see their kids become confident and responsible skiers and boarders. Join today – just \$95 reserves your place!
