Fees, rates, and specifications are subject to change. Prices quoted are per person and based upon special rates negotiated with the airlines and other suppliers, and require a fare guarantee deposit (included in your initial deposit). The air tickets issued are restricted economy class, non-refundable, and require advance purchase. Prices quoted for Europe are based upon a group size of 18 or more people for each tour segment. Should the group size decrease to below 18 people for any segment a rate increase of approximately \$95 will occur. Should the group size decrease below 10 people for any segment a rate increase of approximately \$195 will occur. The current total fee for US and foreign departure taxes, security fees, fuel surcharges, and passenger facility charges (Airport taxes and fees) is **\$339** and **is included** in the trip fees above. This fee is subject to change. No other fees that are, or may be imposed by the airlines or airport administration agencies are included. Rates are based on an exchange rate of 1.53 Euro to US\$ (or .65 US\$ to Euro).

The final occupancy of a unit determines the rate per person. Please note that single rooms are usually smaller than double rooms. The balance due on December 1, 2008 will be based on the group size, rooming arrangements, and exchange rate at that time. Adjustments to your balance caused by changes in the airport fees, exchange rate, rooming arrangements, or group size, may occur after December 1, 2008, and will be credited back, or due before departure. Your deposit, less a \$75 administrative fee and \$110 fee imposed by tour suppliers (total \$185), is refundable if written notice of cancellation is received 120 days before departure (November 12, 2008). Fees and charges for cancellations received within 120 days of the trip will range from a minimum of \$500 to the full amount of the trip. Details are available from our office. Trip cancellation and emergency evacuation insurance is available and strongly recommended. A current passport is required for this trip. Most of the travel arrangements and lodging reservations are made through Ski Europe (the same people used for many of our European trips).
