

# 2016-17 Season

**Year after year, Winterset members return because it's simply the easiest and most convenient way to enjoy the season with a great group of people!**

**Winterset** is a great way to enjoy more time skiing or snowboarding without the hassle of driving. On Wednesdays from January to March, our deluxe chartered buses head for the slopes for a full day at Tahoe's best resorts. Wednesdays mean short lift lines and no crowds. What could be better?

### Skip the driving.

We pick you up at one of our convenient departure points and take you straight to the slopes. No driving, no chains, no parking, no wear and tear on your car. And no filling up with expensive gas for the trip!

### Relax, ski all day, relax.

Enjoy a relaxing ride up the hill while we serve hot beverages and pastries. On the way home, enjoy après ski beverages and goodies as we share the day's adventures. Does that sound like a great plan?

### Everyone is welcome!

Whether you're new to the sport or a seasoned expert, you'll enjoy the camaraderie and relaxed atmosphere.
