

2017-18 Season

Year after year, Winterset members return because it's simply the easiest and most convenient way to enjoy the season with a great group of people!

Winterset is a great way to enjoy more time skiing or snowboarding without the hassle of driving. On Wednesdays from January to March, our deluxe chartered buses head for the slopes for a full day at Tahoe's best resorts. Wednesdays mean short lift lines and no crowds. What could be better?

Skip the driving.

We pick you up at one of our convenient departure points and take you straight to the slopes. No driving, no chains, no parking, no wear and tear on your car. And no filling up with expensive gas for the trip!

Relax, ski all day, relax.

Enjoy a relaxing ride up the hill while we serve hot beverages and pastries. On the way home, enjoy après ski beverages and goodies as we share the day's adventures. Does that sound like a great plan?

Everyone is welcome!

Whether you're new to the sport or a seasoned expert, you'll enjoy the camaraderie and relaxed atmosphere.

The Fine Print

(please read and initial)

If you must cancel, trip fees are refundable, less \$25 per trip for cancellations received up to 14 days prior to the trip. Cancellations received within 14 days prior to the trip will receive a refund credit for the trip fee less the current bus fee, good for one year, towards a future trip. There are no refunds or credits for cancellations received within 36 hours of the trip. Fees and specifications are subject to change.

I have read and understand the fine print X_____

We may change locations if we determine that current conditions at the scheduled destination warrant a change. If we determine that a trip should be postponed due to weather or other conditions, that trip will be made up on the next specific make up date, to whichever resort the original trip would have been.
